

LOSE THE TRAIL OF BANK ROBBERS

Osage County Sheriff Refuses Statement as to Progress of Search

PAWBUHKA, Feb. 14.—Sheriff Murrel White refused to answer any questions today regarding pursuit of two bandits who robbed the American National bank here at noon Monday, looked 15 persons in the vault and kidnapped Assistant Cashier C. T. Everettson. It is understood officers are working on the theory that the bandits went through Caney, Kan., after they released Everettson in Tulsa.

Although the robbers told Everettson the seven-passenger car used for escape was stolen in Bartlesville Monday morning, this was found untrue.

It was found today the loot taken was \$147,411. Because of a legal holiday Monday, other funds were in safe under time lock. Thirteen persons looked in the vault were near suffocation when released by the use of tools kept inside the vault for that purpose.

Everettson said the robbers drank whiskey on the way out of Pawhuska. When they let him out they showed him rifles and warned him against following them.

A deputy sheriff from De Noy is reported to have followed the escaping car but he could not be found today and the sheriff's office refused to make any statement. The theory is advanced that the robbers were amateurs made bold by corn whiskey.

ADMITS SLAYING WIFE

Man Taken at Kaw City Transferred to Tulsa for Trial on Eight-Year-Old Murder Charge

Special to The World.

VINETA, Feb. 14.—Frank Holder wanted here since September 28, 1914, for slaying of his wife in front of an implement house on block from the main business street, was brought into the sheriff's office this afternoon by L. R. Hopkins from Kaw county. Holder was arrested at Kaw City by J. A. Bowen, who called Sheriff H. E. Ridenhour here Sunday, over long distance phone, asking the amount of reward offered for the capture. The county offered no reward but Ridenhour offered and paid a reward of \$50.

Holder was working on the railroad section when found. He told Sheriff Ridenhour that his wife drove him crazy and he had to shoot her. The district was stirred by the killing.

Holder escaped that night, although a carnival was in progress within half a block of where the woman was shot down.

The Holders had two girls and four boys who remained here for about a year.

JAIL NOT SO CROWDED

As Fast as Prisoners Can Be Vaccinated They Are Being Taken to State Prisons to Serve

The crowded condition in the county jail, which has been largely due to the ban on prisoners being taken to the state institutions, has been greatly relieved, Sheriff W. M. McCullough said Tuesday. Last week all of the convicted prisoners were vaccinated for smallpox and as fast as the vaccination takes the men are being taken to the state prisons. "Doc" Barker, convicted of murder and sentenced for life and Eddie Shouglette, convicted bank robber who was handed a sentence of 15 years were taken to McAlester last week and 17 more were transferred Monday.

They are: Robert Butler, life; Arthur Rowe, five years; Ed Washington, 30 years; Willie Caliva, one year; Miller Gentry, five years; Charles Hamlet, one year; Elmer Timmon, 20 years; Earl Malah, 20 years; Joe Scott, 12 years; Peter Rosefelt, three years; J. L. Davis, three years, and Jack Graham, one year. The prisoners were taken to the penitentiary several weeks ago as a witness. Five men were taken to the Granite reformatory. They are: Lee Jefferson, six months; Earl Carter, two years; O. T. Turner, one year; Bert Robinson, one year; Earl Hodgson, two years.

War Taxes on Theater Tickets Not Abolished, Says Revenue Agent

War taxes on theater tickets have not been abolished.

T. Hildt, local internal revenue agent, and is in answer to what seems to be a general impression among theater-goers that the charging of war tax on show admissions is wrong. But the playing public has gotten the wrong impression.

While the war tax on tickets has not been abolished, there has been a slight reduction, but it is slight. Ten-cent admissions are not taxed but admissions above the dime limit are taxed the same old amount, 10 per cent. The war tax on complimentary tickets, however, was abolished.

The new rule, which is in reality, no new rule at all, except in the cases of 10-cent shows, went into effect January 1, as part of the revenue act approved November 23. About \$15,000 in ticket taxes goes into the national treasury each month from Tulsa, according to Hildt.

ARRESTED ON BOOZE CHARGE

Frank Stanley, Out on Appeal Bond for Bank Robbery in Jail Again

Frank Stanley, who is at liberty under a criminal appeal bond in the Perry bank robbery, was arrested by the police Wednesday afternoon when officers Harry Elliot, Ralph Young, Sid Jackson, Frank Byrd and Ned Griffe raided the Harwood rooms, 614 North Main street and seized about three gallons of corn whiskey.

The whiskey was located, officers said, in a large copper plant in one of the rooms of the hotel. It consisted of a copper tank of about 15 gallons capacity hidden in the wall of the room. The liquor

You Can't Trust Calomel at All

It is Mercury, Quicksilver, Salivates, causes Rheumatism and Bone Decay

The next dose of calomel you take may salfate you. It may shock your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into your bile ducts, dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Do not take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. No salts necessary. Give it to the children because it is perfectly harmless and can not salfate.—Advertisement.

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.—Advertisement.
